Celebrating 10 years of Wildflower Art

Judge: Nancy Boren

The Judge for the 2020 Bosque Wildflower Art Show and Sale is Bosque County artist **Nancy Boren**.

Nancy Boren's first painting, a watercolor, was done at age 12 while sitting next to her artist father, James Boren, as he painted at the Grand Canyon.

She received a Bachelor of Fine Arts from Abilene Christian University and cites the influence of notable traditional painters such as Sargent, Sorolla, and Fechin.

Boren's painting, "Aloft in the Western Sky," is part of the permanent collection of the Booth Museum of Western Art in Cartersville, GA. She has also exhibited at the National Cowgirl Museum and Hall of Fame, the Gilcrease Museum, The National Arts Club and the Salmagundi Club, NY.

The American Impressionist Society awarded her painting Best in Show in 2018 and she has recently completed a Liliedahl art instructional video titled "Light, Motion, and Drama."

Nancy Boren is recognized as one of America's leading female artists.

About the Show

The Bosque Wildflower Show began in 2011 as a celebration of the designation of Clifton, Texas, as a Cultural Arts District in the State of Texas. The history of Bosque County in the last half of the twentieth century is primarily about the County's becoming a nationally known art colony.

The hills, landscape, trees and flowers were major reasons most artists chose to live in Bosque County. It is natural that the Bosque Museum chose the Texas Wildflower as the ongoing theme for its annual art show.

The Bosque Museum is a 501c3 non-profit.
